Professional Summary

Results-driven Web Developer with **7 years** of experience in full-stack development, delivering scalable, secure, and high-performance web applications. Proficient in **PHP, Laravel, React, Inertia.js, Tailwind CSS, MySQL** and **API integrations**. Experienced in managing over 500K+ customer records via multiple **CRM** APIs, and handling daily payment transactions of AED 40K–50K through various payment gateways.

Skilled in CRM integrations (**Salesforce, Freshdesk, Pardot, Infusionsoft, LeadSquared**) and payment systems (**PayPal, Stripe, Razorpay, Tabby, Tamara, Amazon Payfort, PayTabs**). Developed and launched the **BYJU'S Middle East Shopify store** and have hands-on experience with **Shopify Rest** and **GraphQL API and App development**. Adept at independently managing the entire development lifecycle and collaborating with cross-functional teams in dynamic environments.

Experience

JULY 2022 – PRESENT

Web Developer / More Ideas General Trading LLC – BYJU'S, Dubai, UAE

- Developed robust and scalable web applications using **Laravel, Laravel Inertia, React**, and **Tailwind CSS**.
- Managed over **500,000+** customer records using multiple CRM API integrations.
- Integrated and maintained payment gateways processing **AED 40K–50K daily**.
- Deployed applications via **AWS, WHM, cPanel, GitHub Actions**, and **CI/CD pipelines**.
- Designed reusable backend architecture to improve scalability and maintainability.
- Created the Shopify store for **BYJU'S Middle East**, with custom integration using **Shopify API**.
- Independently handled full project lifecycle: architecture, development, deployment, and maintenance.

APRIL 2018 – JUNE 2022

PHP Web Developer / HMMBiz Web Solutions, Ahmedabad, India

- Led a development team delivering full-stack web solutions using **PHP, Laravel, CodeIgniter**, and **JavaScript**.

- Built database-driven web applications and developed dynamic frontend interfaces with **Bootstrap** and **jQuery**.
- Designed and implemented scalable APIs and integrated **multiple third-party CRMs** and payment gateways.
- Conducted performance reviews, task allocation, and mentoring of junior developers.
- Collaborated with UI/UX designers and QA teams to deliver responsive, bug-free experiences.
- Optimized server-side logic, resolved performance bottlenecks, and implemented reusable modules.

OCTOBER 2017 – MARCH 2018

PHP Developer Intern / HMMBiz Web Solutions, Ahmedabad, India

- Create and maintain the visual aspects of a website, including layout, design, and interactivity.
- Ensure that websites and applications work seamlessly across various devices and screen sizes.
- Design and develop custom **WordPress themes** based on client requirements.
- Customize existing themes to match specific design needs and branding guidelines.
